**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**To the Inhabitants of the Town of Bristol in the County of Grafton
in said State, qualified to vote in Town Affairs:**

You are hereby notified to meet at the Town Hall in said Bristol
on Tuesday, the 8th day of March, next at ten of the clock in the
forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

Polls will close at 6:00 p.m.

**Action on the following Articles at 7:30 p.m. Thursday, March
10, 1977.**

2. To see if the Town will vote to create a fund to be used toward
the eventual construction of a Public Works Building.
(Recommended by Budget Committee)

3. To see if the Town will vote to use the accumulated interest in
the Proctor Capital Reserve Fund for improvements at the Town
Beach if needed.

4. To see if the town will vote to raise the fee from \$3.00 to \$5.00
for resident seasonal parking permits at the Town Beach.
(Recommended by Budget Committee)

5. To see if the Town will vote to appropriate and authorize the
use of Two Hundred Ninety-nine Dollars (\$299.00) received under
Title II - Antirecession Fiscal Assistance to State & Local
Governments of the Public Works Act of 1976, as a setoff against
budgeted appropriations for labor in the Highway Department.
(Recommended by Budget Committee)

6. To see if the Town will vote to authorize the withdrawal from
the Revenue Sharing Fund established under the provision of the
State and Local Assistance Act of 1972 for use as set-offs against

budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

<u>Appropriation</u>	<u>Amount</u>
Bliss (Culvert)	\$3,100.00
Peaked Hill Road (Underdrains)	2,225.00
Hemlock Brook Road	3,642.00

Public Works Bldg. Fund	12,000.00
	<hr/>
	\$49,727.00

(Recommended by the Budget Committee)

7. To see if the Town will vote to authorize the Selectmen to make application for, and to receive in the name of the town, such gifts, advances, grants-in-aid or other funds, as may be forthcoming from the United States Government, the State of New Hampshire, or any other Federal, State or Local Agency.

8. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.

9. To see if the Town will vote to authorize the Selectmen to grant a franchise to erect, install and maintain in, under or over streets, highways and other public ways of the town, wires, cable and other equipment related to the delivery or enhancement of television signals and other electrical impulses in accordance with New Hampshire law RSA 53-C:1 (Supp. 1974)

10. To see if the Town will vote to authorize the Selectmen to enter into an agreement with R.P. Williams & Sons, Inc. to allow R.P. Williams & Sons, Inc. to use the Town sewage treatment plant service road and to allow R.P. Williams and Sons, Inc. to construct and maintain an access road across town property to property of R.P. Williams and Sons, Inc. and to grant R.P. Williams and Sons, Inc. a five year easement for the above

purposes, subject to such further reasonable provisions for the protection of the Town as the Selectmen may approve with advice of counsel.

11. To see if the town will vote to discontinue the road running through the N.H. Morrison property, so called, between Willow Street and Route 104 as allowed by RSA 238:1.

12. To see if the Town will vote to elect a Road Agent in place of the appointment of a Highway Supervisor by the Selectmen. This would be effective as of Town Meeting 1978. Passage of this article would rescind Article 12 of the Town Warrant dated March 1973. (Submitted by Petition)

13. To see if the town will vote to discontinue the portions of road known as "Old 104," meaning all portions of former Route 104 used or unused or designated as Class V highways that reverted to the Town of Bristol in 1962 as a result of reconstruction Project S-20 (4) by the State of New Hampshire, being those portions only lying between the residence of Bertram Gustin and running easterly to the so-called triangle or point of inter-section with the River Road, as allowed by RSA 238:1.

14. To see if the Town will vote to accept from William Tucker a certain strip of land, four feet in width, bordering the land of Harland Lamos on the east side of Timber Lane.

15. To see if the town will vote to authorize the selectmen to enter into bilateral or multilateral agreements with each other to perform any of the following services: fire protection; street lighting; shade tree care; water supply; highways; walks and sewers; parks or commons; recreation promotion; recreation centers; electric utility; police protection; public housing; sewage disposal plant; ambulance service; and refuse collection and disposal; jails and other correctional facilities; and public transportation systems (RSA 53-A (Supp. 1973). The agreement must be in writing in a form approved by the Attorney General and local attorneys. Any said agreements shall be subject to voter approval at the next annual Town Meeting.

16. To see if the town will vote to pass the following ordinance:

No person shall conduct a public dance, carnival, circus or any activity which shall be termed a public gathering (whether admission is free or a charge for same is made) without first consulting the Bristol Police Department to determine whether or not Police Officers shall be required for said events. Application for any such event shall be made to the Chief of Police.

17. To see if the town will vote to pass an amendment to the ordinance on consumption of alcoholic beverages as follows:

Item A of the Ordinance pertaining to the consumption of alcoholic beverages as adopted under Article 15 of the Town Warrant dated March 4, 1976 is hereby amended to read as follows:

a. No person shall consume any alcoholic beverage while in or upon any street, public place or public building within the Town of Bristol. Possession of an open bottle or container of any alcoholic beverage shall be considered as prima facie evidence of consumption.

18. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

19. To see if the Town will vote to authorize the Selectmen to sell tax acquired property.

20. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 10th day of February, in the year of our Lord nineteen hundred and seventy-seven.

SELECTMEN'S REPORT 1976

It is with extreme pleasure that I submit my first official report to the citizens and taxpayers of Bristol on behalf of the Board of Selectmen.

1976 has been both a challenging, yet stimulating year for the town of Bristol. There have been several personnel changes in the ranks of the town's full time employees as well as new people being appointed to various agencies and commissions in lieu of understandable resignations. The selectmen honestly feel that those in the town's employ are qualified or are working toward the necessary qualifications their positions warrant. A strong sense of dedication is felt by all those serving Bristol, this dedication being brought out primarily through the cooperation of the citizenry in general.

In retrospect, what has the town of Bristol accomplished aside from providing the regular and required services? The two year program on Wicom road under supervision of the highway department is now finished and that portion, the sharp curve, has been widened and oiled and proper drainage installed. The Central street bridge now has new steel supports and a long overdue paint job. This costly project was handled by the state. Paving of that portion of the Mayhew Turnpike between Union and Hillside has vastly improved a stretch of road long needed for repair. A near washout on Merrimack street culminated in replacement of a large culvert. This has been a lingering problem for several years. The town was fortunate damage was not more extensive. A near collapsed culvert was replaced on the Karl Dearborn Jr. road in East Bristol. Lastly, TRA under state supervision has given us practically a new Hemp Hill road on the lower portion.

While I'm on the subject of projects, one will note that this year's budget under the category of Revenue Sharing shows quite a few areas destined for improvement. For several years the town spent heavily to pave her village streets which is now about completed. Our attention is now focused to the outskirts of town. Much must be done. But realistically, we can only bite off so much each year. It is the selectmen's opinion through advice of their department heads and commissions that these improvements be

done in order to avoid costly expense in the future.

The selectmen have been most unhappy insofar as the auditing of the town books this past year by the Department of Revenue Administration of the State of New Hampshire. Several times in past years the state has been unable to audit the town books annually. This past year when the state came, they had two years of auditing to do. Needless to say, a rather extensive and costly audit occurred. The audit reports as of the printing of the town report deadline were not available by the state and consequently are not included within. Some feel the selectmen have caused the reports not to be made public. Such is not the case and the Department of Revenue Administration in Concord shall so verify it. In fact, last year, you the voters voted a change from a 1963 warrant article of making the state the sole auditor to a situation whereby now your selectmen may have a reputable firm audit the town books **each** year. A million dollar business should be audited every year. Therefore we feel you, the taxpayer, is entitled to this explanation and will trust you realize we in no way can report what we ourselves have not been privileged to see.

In conclusion, the selectmen wish to publicly thank all departments, agencies and commissions for the work they are constantly doing to make Bristol a better place to live. They also wish to thank the new budget committee of which eight are new members. The budget developed for fiscal 1977 appears very realistic, being one the selectmen feel they can operate the town on both effectively and efficiently.

Respectfully,
Charles E. Greenwood
Chairman
Bristol Board of Selectmen

Bristol, New Hampshire 03222

Dear Mr. Greenwood:

This communication is intended to serve as a status report on the examination made by this Division of the accounts and records of the Town of Bristol.

The auditors' report and summary of findings are currently awaiting final Division review in keeping with our established policy. We do not expect to be able to submit a report of this audit prior to the publication of the Town's 1976 Annual Report.

We regret the inconvenience which this may cause. However, we fully expect that our report will be finalized and forwarded to your office in the very near future.

Very truly yours,
Lorraine F. Racette
Assistant Director

TOWN CLERK-TAX COLLECTORS REPORT

I was pleased to be asked by your selectmen to step in as your Town Clerk/Tax Collector when your former one resigned. I find the work interesting and I enjoy it very much. I want to thank all of you for bearing with me while I learned the many complexities of this office.

The taxes were about 82% paid as of December 31st. which is about the same as the past two years. Quite a few of the previous taxes are also being paid. My reports are only for what business I have transacted since I took office on October 1, 1976. The rest of the year will be covered in the auditors report of the former Town Clerk/Tax Collector.

I have changed the hours a little. I am now open from 9 to 5 on Mondays, 9 to 1, Tuesday through Friday and 7 to 9 on Thursday evening. I hope the hours will enable the majority of you to transact your business at your convenience. I do have New Hampshire Hunting and Fishing licenses which may be of some convenience to some of you.

I hope that you are finding the staggered motor vehicle registration to your liking. I am sure it is easier on me and you too in that you do not have to fight the long lines as before. Do remember that you must register your car during the month of your birth.

It has been a pleasure to serve you these past few months and I hope I can continue to do so. I am always open to your suggestions.

Barbara D. Avery
Town Clerk/Tax Collector

MINOT-SLEEPER LIBRARY
Report of the Board of Trustees
For the year 1976

The year 1976 saw a slight increase in book circulation over 1975. The figures for the various categories are outlined below:

Adult Fiction	6,503
Adult NonFiction	1,928
Junior Fiction	1,973
Junior NonFiction	483
Book Mobile	800
Magazines	1,686

During the year, the library received gift books, as well as modest sums for the purchase of several additional books. These items have been properly acknowledged, and appropriate action has been undertaken.

The trustees were pleased that the library was able to contribute to the Nation's Bicentennial Birthday Celebration. This contribution took the form of a loan of its drums to the local Fyfe and Drum Corps. This group brought much recognition and praise to themselves and the area, and consequently the library drums saw much service. It is also a pleasure to note and acknowledge that the drums were returned in much better condition than when they were borrowed.

The major project for the library this year has been the continuation of the long range program to better utilize the basement, by providing a children's reading room, and a research room for proper protection and the more efficient usage of the reference materials. This program will enable the library to be of more service to the residents of the area in all age brackets.

Additionally, with the advent of new rules and regulations relative to lighting in public buildings, the trustees have had installed special emergency lights, which are battery activated, in the event of a power failure.

Lastly, the trustees would like to express their appreciation for the dedicated services of Myla Doran, Carolyn Dickinson, Doreen Powden, and John Clark.

BRISTOL COMMUNITY CENTER ANNUAL REPORT 1976

This past year has been a busy one for the Bristol Recreation Department. Our programs serve local folks from every walk of life and from every age group. Young children participate in the ever-exciting Floor Hockey and Pee Wee Basketball leagues; adults are offered their choice of activities ranging from badminton to square dancing, from volleyball to crafts.

The Community Center provides a place for people, young and old, to meet. Upon entering the building, one may find the Pre-schoolers engrossed in play, or the Woman's Club enjoying a card party.

It would be impossible for me to name all the volunteers who have contributed their time to the Community Center during the past year. Nevertheless, thanks and sincere appreciation are extended to all those people who have devoted countless hours of time to enable us to serve the recreational needs of our community. Gratitude is also expressed to the International Packings Corporation, the merchants, the Churches, Civic groups, and the Newfound schools for their co-operation in bringing recreational programs to the people.

The Bristol Recreational Advisory Council joins me in looking forward to a bright future of helping more and more people increase the quality of the use of their leisure time.

Merelise O'Connor

BRISTOL WATER WORKS

This year has been relatively quiet with the usual minor emergencies. Eight units were added to the system, some new services and some old services reactivated.

The exterior of the water tank on the Turnpike was repainted. More readout meters have been installed, both to replace old worn out meters and for customer convenience.

Other improvements to the System are being studied.

BRISTOL SEWER DEPARTMENT

Minor Plant repairs have been taken care of by local help whenever possible. About 900 feet of damaged pipe was replaced on the Turnpike.

A Plant inspection by the U.S. Environmental Protection Agency during the year showed that the plant was operating properly. Monthly inspections by N.H. WSPCC have also proved satisfactory. Major repairs were made on one set of rotors by Hampton Machine Company of Hampton, N.H.

A crew from Franklin assisted us in a stoppage of the line across Kelley Park by using a power type Roto Rooter.

We had eight new customers connected during the year and some hook-up charges were paid for the preceeding year.

Application for a Government Grant for extending sewerage to Newfound Lake was made but no funds were allocated to us.

BRISTOL FIRE DEPARTMENT REPORT

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities of this past year, and it has been a fairly busy year fire wise.

The department responded to 53 fire calls, up 16 from the previous year. Chimney fires have more than doubled due to more people burning wood and not having their chimneys cleaned and taken care of. There were 4 structural fires, 15 chimney fires, 11 Mutual Aid or out of town calls, 6 car or truck fires, 1 brush fire, 1 gas fire, 1 dryer fire, 5 smoke investigation, 3 electrical fire, 2 garage fires and 4 miscellaneous fires.

Inspections of public buildings and garages as required by law have been continued. Some bad fire hazards have been corrected and in one instance this saved lives and buildings. These inspections will continue in hopes of saving more lives and property.

The company is still continuing its drills and training. During these winter months we are pre-planning some of the buildings in town, with the hope that it will never be needed.

We again have had men attend Lily Pond and Fitzwilliams Fire Schools. Training for the men will continue as in the past so that all the men will be ready at all times to cope with whatever might come up.

We also have at this time the Plectrons tied into the Fire Alarm system. This sets off the Plectrons on the first blast of the alarm. It is really helpful during the winter months when some of the firemen cannot always hear the alarm. It saves minutes which can save lives and also makes the response 100 per cent.

REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

NEWFOUND AREA NURSING ASSOCIATION 1976 Yearly Report

1976 has been a time of growth and a period of change for the Newfound Area Nursing Association. NANA has had an active year serving the people of the towns of Alexandria, Bristol, Bridgewater and New Hampton.

Due to the changing trend in health care, home health services are now more widely used. Many times patients are discharged at an earlier time with the knowledge that continued skilled nursing care can be carried on within the home setting.

The total number of nursing visits are as follows:

Skilled Nursing	2,146	
Health promotions	341	
	<hr/>	2,487
Physical Therapy		53

In June there was a change of staff personnel, including two registered nurses and a qualified physical therapist. This staff has worked together as an effective team for better nursing care.

There has been an increasing number of nursing referrals from our local physicians as well as physicians from hospitals in Franklin, Lakes Region, Hanover and Veterans Administration.

NANA is involved in discharge planning groups from Franklin Regional Hospital and Lakes Region Hospital. These groups plan ahead for nursing care of patients in the home.

Members of the staff of NANA have attended various workshops to continue education and update knowledge of trends in home health care.

Community activities in which NANA has been involved are as follows:

- Bloodmobile Drive - August
- Swine Flu Immunization - October
- Blood Pressure & Diabetes Screening Clinics - February
& December.

BRISTOL PLANNING BOARD

During 1976, the Planning Board held ten regular monthly meetings and four special meetings. The Board held final hearings and approved six sub-divisions. Six other sub-divisions were signed as not under the jurisdiction of the Planning Board.

Two requests for approval of adoption of the Condominium Concept were approved, as not under the jurisdiction of the Planning Board.

In April, the Sub-Division Regulation was changed, as required by the National Flood Insurance Act, to require a building permit prior to any future construction in a Flood Plain Area.

POLICE DEPARTMENT REPORT

The Bristol Police Department has been active during the year 1976 with an increase in the number of complaints which were up 10% over the past year and Juvenile cases up 10% over the past year.

The Cadet Program was funded again through the State of New Hampshire, Governor's Commission on Crime and Delinquency. This year for the first time the Department employed a girl and a boy to assist in traffic during the peak summer season. They also received training in all other police duties. The State of New Hampshire monitored the Bristol Police Department Cadet Program and in the final report by the state Bristol was commended for the way this program was handled.

This year Bristol added another patrolman to the Department on a six month grant funded again by the Governor's Commission on Crime and Delinquency with the town paying 5% of the total cost. With the addition of the 5th man it has increased the Department's effectiveness by 50%. It is the department's hope to continue this program for a full year in 1977.

The Department wishes to extend their appreciation to the Bristol residents for their cooperation and support this past year.

Paul H. Ingersoll
Chief of Police

BRISTOL CONSERVATION COMMISSION

The Bristol Conservation Commission again sponsored an essay contest at the Newfound Memorial High School, and Kurt Auger was the winner. He was sent to Spruce Pond Conservation Camp for one week in June. Kurt reported a very busy, fun week - learning much in the field of conservation.

Regretfully we accepted the resignations of two key people - Eleanor Clark and Gordon French. They have done much for the Commission.

We are now in the process of having two deeds drawn up. One will be for the I.P.C. property near the Newfound River, and the other for a narrow strip of land in the Westwood area.

The Commission meets on the second Thursday of each month - when necessary. We are hopefully acquiring new members, and feel this coming year will prove to be interesting and productive.

NEWFOUND AREA BICENTENNIAL COMMITTEE

The Newfound Area Bicentennial Committee has been meeting monthly since May, 1975 to plan and carry out appropriate events and projects commemorating the two hundredth anniversary of the American Revolution in six area towns: Alexandria, Bridgewater, Bristol, Danbury, Groton and Hebron. The focus of the Bicentennial has been Heritage, (recalling the past); Festival (celebrating); and Horizon (planning for the future). Projects of the Area Committee have intentionally reflected these national aims.

Committee sponsored events have also been designed to promote good will, cooperation and mutual aid among the member towns. A list of events and projects reflects such a spirit:

1. four signs, "Happy Birthday America"
2. refurbishing two vintage drums for use by New Chester Fyfe and Drum
3. sale of Newfound Area Bicentennial Calendars, with historic scenes from each town
4. two colonial clothing workshops
5. sale of Newfound Bicentennial tea tiles
6. purchase of four new drums for the Newfound Fife and Drum (children's group)
7. support of colonial ball, March 27
8. support of the C.Y.O. cookbook
9. New Hampshire conestoga wagon, sponsored by the Baha'i group
10. Fourth of July parade
11. fireworks at Newfound Lake
12. two concerts by the Pemigewasset Choral Society
13. magic show
14. reprinting of the Bristol/Bridgewater history
15. Bicentennial parade in August
16. support of the caravans for arts, crafts and drama from the University of New Hampshire
17. Fyfe and Drum boat parade and concert at Newfound Lake
18. Thanksgiving Dinner, November 13

Individual town committees were active highlighting events and

personalities important in local history, and promoting pride in each community. Your committee's report is included with this 1976 Town Report.

A visitor to our area remarked, "You people have caught the Bicentennial spirit and made it come alive all year. You folks really turn out, and in costume, too! How did you involve so many people, especially the children?"

The answer is that members of the Area Committee have worked together for nearly two years in order to provide constructive leadership and a positive influence upon our neighborhood of rural towns. However, the Committee did not work in isolation, but depended heavily upon the support of many committed people in each town. People of all ages.

Some ask, "Aren't you tired of the Bicentennial?" No! Unless one tires of our American heritage of national and local pride, neighborliness, mutual respect and hard work. Let us not tire of dreaming dreams for the future.

BICENTENNIAL COMMITTEE OF BRISTOL

On November 10, 1975, after several months of preliminary planning, a meeting was held and the Bicentennial Committee of Bristol was formed. William C. Noel was elected Chairman and Mrs. Joy DeVivo, Secretary. Planning immediately started to have as many events as possible through the Bicentennial year.

On April 18, 1976, the weather vane which had formerly been atop the steeple of the Community Center, was formally dedicated. It had been removed in need of repair. Through the winter months, Bill Noel, Everett Hackett, and Dick Ackerman, worked many hours to return it to its original condition. Repainted and glistening with 23 karat gold leaf, it was set in place. Richard (Wink) Tapply who had repaired the wooden base, gave remarks of dedication. As he completed his remarks, the bell in the steeple which had not been heard for twenty-five years, and had been put back into working order by Everett Hackett, thrilled the some three hundred people who had gathered in the street for the occasion, by tolling.

The opening invocation was given by Reverend John Fischer of Hebron; the prayer of dedication by Reverend Robert Sanders of Bristol; and the closing benediction by Father Eugene Pelletier of Bristol.

On a windy day in May, the New Hampshire Conestoga wagon arrived in Bristol. Sponsored by the Baha'i Assembly, under the supervision of Ernie and Myrle Reynolds, it was in the square most all day. School children, as well as adults were given the opportunity to sign scrolls that would be carried on the wagon to our National Capitol. The purpose of the scrolls, which with others from all over the country will be made part of our permanent history at Valley Forge, Pa., was to permit the citizens of the nation to rededicate their faith in the precepts as set forth by our founding fathers. Where once a single document was signed declaring our independence, these thousands will represent the intent of our entire population.

During the day, as people assembled, music was presented by the Junior Fife and Drum, under the direction of Mr. Donald Towle. Youngsters from the schools were permitted to march to the square to participate in the ceremonies. The day was a great

tribute to our nation's 200th birthday.

On May 31, 1976, the Committee co-operated with the American Legion in a parade to the Square and a service in memory of departed service men. Rev. Ethel Lee Matthews offered prayer. A bronze plaque which had been designed and completed under the supervision of Orvis Hopkins, was formally unveiled and dedicated. On it, are the names of thirty-nine men from the Bristol area who participated in the Revolutionary War. As the plaque was unveiled, Orvis read the speech of dedication from a scroll, which he had also made. A time capsule - with appropriate memorabilia, to be opened in the year 2076, will be buried near the plaque.

The Town of Bristol was officially designated a Bicentennial Community on Sunday, June 13, 1976. A standing room only audience packed the Town Hall to witness the ceremony. Representative G.G. Cummings presented the Bicentennial Certificate to Chairman of the Board of Selectmen, Charles E. Greenwood, who later gave the main address. A Bicentennial flag for the Town was accepted by Selectmen Burton W. Williams and George S. King. Chairman William C. Noel presided and presented the honored guests. Mrs. William C. Noel had the honor of escorting Governor Meldrim Thomson, Jr. to the platform. The invocation was given by Rev. Ethel Lee Matthews, and the closing prayer by John P. Morrison Jr. The audience then marched to the Square where the flag was officially raised, and then to the Community Center for refreshments and a reception for the Governor. The refreshments were prepared and served by the Bristol Historical Society.

Many of the Bicentennial Committee members participated in the July 4th parade sponsored by the Chamber of Commerce. A Fun Day under the supervision of Alan Blakeley was held at Kelley Park. Road and bicycle races, as well as numerous events for boys and girls, rounded out a wonderful afternoon.

Because of the generosity of our merchants and business firms, one of the finest displays ever of fire works, was witnessed at Newfound Lake. Collection of funds and the responsibility for the display was organized by the Bristol Jaycees.

The official Bicentennial parade was held on August 21, 1976. Chairman Gerald DeVivo had better than 50 units participating, which took close to two hours to pass the reviewing stand. Rep. G.G. Cummings was Grand Marshal, while Miss Peggy Spellacy,

current Miss New Hampshire, was guest of honor. She was escorted by Bill Germ of New Hampton. A group of our elder ladies of the community, were also honored guests of the Committee.

Three of our ladies, Mrs. Lucy Baker, Emma Reed, and Evelyn Reed, left Bristol on August 28, 1976, to fly to Bristol, England. Before leaving they were met in the Square where Chairman Bill Noel presented them with a commemorative tile and Chairman of the Selectmen, Charles E. Greenwood, presented them with a communication from the Town to be carried with them. These were later presented to The Lord Mayor of Bristol when he honored the ladies with a high tea. While in England, our ladies were interviewed by radio, television, and the news media, and returned home with many gifts and souvenirs, of a very memorable and historic occasion.

The final official event of the year was a Thanksgiving home coming Banquet. It was held on November 13, 1976 at the Banquet Hall, New Hampton School, where a capacity crowd of 384 sat down. A delicious meal of turkey, home made pies, etc., all prepared by Mrs. Rosalie Hall and her kitchen committee, was extremely well received. Much thanks to Rosalie and her committee who spent some 14 hours in the kitchen. Music by The New Chester Fyfe and Drum; the Newfound High School orchestra; under the direction of Gerald DeVivo; solos by Mrs. Beverly Patten; and piano music by Mr. Richard Crooks; rounded out an evening of fine entertainment. Opening invocation was given by Rev. Robert Sanders, a short message of Thanksgiving by Rev. John Fischer, and the closing prayer by Father Roland Villette. Chairman Bill Noel presided.

The Committee expresses their sincere thanks to those who made the Bicentennial year such a success - the many sub-committees who labored many hours to complete their various responsibilities who were amply rewarded by the overwhelming support of the people of the area.

As we enter into our third Century, may we remember our many blessings of the past, including such a rich heritage, and look to a good and Almighty God for continued blessings in the future.

William C. Noel, Chairman
